## **General Guidelines**

#### Safety

Wash your hands often and use hand sanitizer when out and about.

Practice physical distancing and always cover your mouth if you cough or sneeze.

Stay home if you aren't feeling well.

## **Contact Tracing**

Depending on the level of community spread, local and state public health departments may need to implement mitigation strategies for public health functions to identify cases and conduct contact tracing. When applied, community mitigation efforts may help facilitate public health activities like contact tracing.

The roster form will clearly outline the purpose and importance of the document.

The roster form will be provided to each team manager to list all players and coaches names and contact information to include phone number, mailing address, and email address.

The roster form will require participants under the age of 18 to include parent contact information, or adult equivalent. At least two contacts should be provided for each youth participant.

This roster form will be available at registration and/or be sent out electronically to all team managers prior to any team function.

A completed and submitted roster form will be required before participation in any aspect of the sport.

For outside rental groups, such as tournament directors, the same information will be required for each team by the renting organization.

Once completed, the form will be returned and kept with the agency.

If a positive COVID-19 case is reported from any participant or spectator, the agency will notify the local health department to provide details and to seek direction. Once directed by the health department, all individuals/families on the roster form will be notified that they may have been exposed to COVID-19. The hosting agency will provide each individual/family guidance provided by the local health department.

## **Sports Travel**

In-state travel is allowed unless a local jurisdiction prohibits travel for sports teams to their county. Out-of-state team travel is prohibited in Phase Two.

All travel is allowed in Phase Three unless a county or state prohibits travel to their respective area.

## **Mass Gathering Clarification**

Because there has been a lot of confusion about mass gatherings, we wanted to add the following clarification: the mass gathering provision means that facilities must avoid any instances in which more than 15 individuals are in one location and are unable to maintain 6 feet of distance with only infrequent or incidental moments of closer proximity. This does not limit the total occupancy of a facility or a field, but requires that facilities limit mass gatherings in areas and instances in which physical distancing cannot be maintained such as in entrances, lobbies, locker rooms, etc. You are able to have more than 15 individuals in one place, as long as they are able to maintain social distancing except for moments of infrequent or incidental contact. The purpose of this provision is to limit clusters of large crowds of spectators, teams, etc.

Where social distancing cannot be maintained.

#### **CONTACT SPORTS REOPENING GUIDELINES**

VOLLEYBALL/BASKETBALL

	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 1	Closed	Closed	Closed	Closed	Closed	Closed	Closed	Closed Signage Required	Closed
	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 2	Volleyball has incidental physical contact. Basketball has frequent physical contact. Only individual / small group training, clinics, camps, and controlled practices are allowed. No games or tournaments.	Spectators are required to practice social distancing. Each court would not exceed mass gatherings of 15. The mass gathering limit refers to the spectators who cannot social distance, not the player on the court.	Practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time.	The benches and bleachers, for participant use only, will be disinfected between each practice, or whenever the participant group switches. Time will be made to allow the completion of this task.	The basketball/volleyball(s) will be disinfected before and after every clinic and practice. The sharing of sports equipment will be strongly discouraged.	Teams will not switch sides with each set in volleyball. Players will not huddle after each point, or at any point during, before, or after a practice. No hand slaps after practice. Sportsmanship will continue in a touchless manner.	Additional benches, chairs, or other equipment may be added to where substitutes sit to encourage spacing and social distancing.	Signage will be displayed encouraging hand washing/healthy practices, social distancing, and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape should be used to limit patrons and players interactions.	Consideration should be given to removing bleachers from the public to be able to access. Lines around restrooms, concession stands or otherwise throughout the event are discouraged; practice social distancing. Vulnerable populations should be asked to stay home.
	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 3	Volleyball has incidental physical contact. Basketball has frequent physical contact. Games and tournaments allowed.	Spectators are required to practice social distancing. Each court would not exceed mass gatherings of 45. The mass gathering limit refers to the spectators who cannot social distance, not the player on the court.	Games and practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time. Games may be played to completion.	The benches and bleachers, for participant use only, will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task.	The basketball/volleyball(s) will be disinfected before and after every clinic and practice. The sharing of sports equipment will be strongly discouraged.	Teams will not switch sides with each set in volleyball. Players will not huddle after each point, or at any point during, before, or after a clinic, practice or game. No hand slaps after practice or game. Sportsmanship will continue in a touchless manner. Tournaments: awards ceremonies will not take place, the tournament director of the event will hand awards to coaches. Team pictures will be at the discretion of coaches and parents.	Additional benches, chairs, or other equipment may be added to where substitutes sit to encourage spacing and social distancing.	Signage will be displayed encouraging hand washing/healthy practices, social distancing, and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape should be used to limit patrons and players interactions.	Lines around restrooms, concession stands or otherwise throughout the event are discouraged; practice social distancing. Vulnerable populations should be asked to stay home.  Tournaments: teams are encouraged to prepay gate fees.
	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase Out	No Restrictions	No Restrictions	No Restrictions	No Restrictions	No Restrictions	Sportsmanship will continue in a touchless manner. Lines around restrooms, concession stands or otherwise throughout the event are discouraged; practice social distancing. Vulnerable populations should be asked to stay home.  Tournaments: teams are encouraged to prepay gate fees.

#### **CONTACT SPORTS REOPENING GUIDELINES**

#### SOFTBALL/FASTPITCH/BASEBALL/T-BALL/COACH-MACHINE PITCH

	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 1	Closed	Closed	Closed	Closed	Closed	Closed	Closed	Closed Signage Required	Closed
	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 2	Softball, Fastpitch, and Baseball all have a low degree of physical contact. Controlled workouts, controlled practices, clinics, modified rule games and modified rule tournaments are allowed.	Spectators are required to practice social distancing. Each ball diamond would not exceed mass gatherings of 15. The mass gathering limit refers to the spectators who cannot social distance, not the participants on the field.	Practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. GAMES will be scheduled with a 30 minute buffer in between to prevent overlap of participants and spectators. Start times should be staggered where no more than half of the complex is changing over at any given time. Games may end in a draw if time expires.	The benches and bleachers, for participant use only, will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task. The use of dugout water coolers and otherwise shared water bottles will not be allowed. Teams are required to clean their dugout of all trash and other Items before and after each game, and to wipe down hard surfaces such as benches, bat racks, etc. with sanitizing products. Two disinfecting stations per field for patrons use. Facility attendants will spray disinfectant on hand rails and other commonly-used touch points frequently.	The game ball(s) will be disinfected before and after every clinic, game and practice. Each team will pitch with their own balls to limit ball contact to players of the same team. The umpire will not have contact with the ball. Teams need to have balls ready for when a ball goes out of play. The sharing of catchers equipment will not be allowed. The sharing of sports equipment (thelmets and bats) is strongly discouraged, if sharing is necessary, coaches must disinfect equipment between each use.	Managers meeting at home plate should be limited to one coach from each team, plus the umpires. No players at the plate meeting. Limit bench/dugout to essential team personnel. Players will not huddle at any point during the game/practice. Sportsmanship will continue in a touchless manner - no handshakes/slaps/fist bumps after games. Tournaments - Awards ceremonies will not take place, however the Tournament Director of the event will hand awards to the coaches. Team pictures will be at the discretion of coaches and parents.	The batting team may have half of their team in the dugout, practicing social distancing. The other half will be outside the field, practicing social distancing. Participants may use the bleachers if disinfected between each inning.	Signage will be displayed encouraging hand washing/healthy practices, social distancing, and describing what rule adjustments have been made. Staff should be empowered to enforce. To discourage spitting, no sunflower seeds will be allowed. One-way signage and/or tape should be used to limit patrons and players interactions.	Lines around restrooms, concession stands or otherwise throughout the event are discouraged, practice social distancing. Vulnerable populations should be asked to stay home. Tournaments: teams are encouraged to prepay gate fees. When using a tent, please restrict it to family members only.
	Degree of Physical Contact and Allowed Activities	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 3	Softball, Fastpitch, and Baseball all have a low degree of physical contact. Controlled workouts, controlled practices, clinics, modified rule games and modified rule tournaments are allowed.	Spectators are required to practice social distancing. Each ball diamond would not exceed mass gatherings of 45. The mass gathering limit refers to the spectators who cannot social distance, not the participants on the field. 	Degree of Physical Contact	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Signage
Phase 3	Volleyball has incidental physical contact and physical distancing cannot be ensured for game activity.	Spectators are required to practice social distancing. Each court would not exceed mass gatherings of 45. The mass gathering limit refers to the spectators who cannot social distance, not the player on the court.	Games and practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time. Games may be played to completion.	The benches and bleachers, for participant use only, will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task. One disinfecting station per court for patrons use. Facility attendants will spray disinfectant on hand rails and other commonly-used touch points frequently.	The game ball(s) will be disinfected before and after every game and practice.	Teams will not switch sides with each set in volleyball. Players will not huddle after each point, or at any point during, before, or after a clinic, practice or game. No hand slaps after practice or game. Sportsmanship will continue in a touchless manner. Tournaments: awards ceremonies will not take place, the tournament director of the event will hand awards to coaches. Team pictures will be at the discretion of coaches and parents.	Signage will be displayed encouraging hand washing/healthy practices and social distancing.
